**Reasons for excisions:**

Not Applicable

**Summary of reasons  
for classification:**

The computer image file *Tawnee Stone aka Page 53 Top Image No. 2* is classified as:  
Unrestricted.

The computer image file printout depicts a young naked woman in a natural and relaxed manner smiling at the camera outdoors. The publication does not deal with any matters under s3(1) of the Films, Videos, and Publications Classification Act 1993, nor do s3A or s3B of that Act apply. While the image depicts a naked woman, under s3(1 A) it is not reasonably capable of being regarded as sexual in nature. The publication is therefore unrestricted.

An unrestricted classification places no limitation on the freedom of expression as set out in Section 14 of the New Zealand Bill of Rights Act 1990.
